

# DEMONS      IMAGINE DRAGONS

Capo 1.Bund

[Verse]

E(maj7)                      Badd4  
When the days are cold and the cards all fold  
C#m7(add9)                      Asus2(add#4)  
And the saints we see are all made of gold  
E(maj7)                      Badd4  
When your dreams all fail and the ones we hail  
C#m7(add9)                      Asus2(add#4)  
Are the worst of all and the blood's run stale

[Pre-chorus]

E(maj7)  
I want to hide the truth  
Badd4  
I want to shelter you  
C#m7(add9)  
But with the beast inside  
Asus2(add#4)  
There's nowhere we can hide  
E(maj7)  
No matter what we breed  
Badd4  
We still are made of greed  
C#m7(add9)  
This is my kingdom come  
Asus2(add#4)  
This is my kingdom come

[Chorus]

E  
When you feel my heat  
Badd4  
Look into my eyes  
C#m7  
It's where my demons hide  
Asus2  
It's where my demons hide  
E  
Don't get too close  
Badd4  
It's dark inside  
C#m7  
It's where my demons hide  
Asus2  
It's where my demons hide

Badd4:x24400

C#m7:x46600

Asus2:x02200

[Verse]

E(maj7) Badd4  
When the curtain's call is the last of all  
C#m7(add9) Asus2(add#4)  
When the lights fade out all the sinners crawl  
E(maj7) Badd4  
So they dug your grave and the masquerade  
C#m7(add9) Asus2(add#4)  
Will come calling out at the mess you made

[Pre-chorus]

E(maj7)  
Don't want to let you down  
Badd4  
But I am hell bound  
C#m7(add9)  
Though this is all for you  
Asus2(add#4)  
Don't want to hide the truth  
E(maj7)  
No matter what we breed  
Badd4  
We still are made of greed  
C#m7(add9)  
This is my kingdom come  
Asus2(add#4)  
This is my kingdom come

[Chorus]

[Bridge]

E(maj7)  
They say it's what you make  
Badd4  
I say it's up to fate  
C#m7(add9)  
It's woven in my soul  
Asus2(add#4)  
I need to let you go  
E(maj7)  
Your eyes, they shine so bright  
Badd4  
I want to save their light  
C#m7(add9)  
I can't escape this now  
Asus2(add#4)  
Unless you show me how

[Chorus]
