E (2x)
Who's to say what's impossible
F#m (2x) etc
Have they forgot

This world keeps spinning
E
And with each new day

F#m
I can feel a change in everything
E
And as the surface break reflections fade
F#m
But in some ways they remain the same
E
And as my mind begins to spread its wings
F#m
There's no stopping curiosity

I wanna turn the whole thing

Chorus:

E F#m
Upside down
A H E F#m
I'll find the things they say just can't be found
A H E F#m
I'll share this love I find with everyone
A H E F#m
We'll sing and dance to Mother Nature's song
A H E
I don't want this feeling to go away....
