Wrecking Ball   Miley Cyrus

Intro: Em   G D Am   (Erster Ton: H)

```
Em                          G
We clawed, we chained our hearts in vain
D                       Am
We jumped, never asking why
Em                   G
We kissed, I fell under your spell
D                   Am
A love no one could deny

C                 Em
Don't you ever say I just walked away
G             C
I will always want you
C                     Em
I can't live a lie, running for my life
G                   C       (Pause)
I will always want you

            G                       D
I came in like a wrecking ball
                  Em            C
I never hit so hard in love
                  G           D
All I wanted was to break your walls
                  Em            C
All you ever did was wreck me
          Em          C
Yeah, you     wreck me

Em                    G
I put you high up in the sky
D                          Am
And now, you're not coming down
Em                     G
It slowly turned, you let me burn
D                              Am
And now, we're ashes on the ground

C                 Em
Don't you ever say I just walked away
G             C
I will always want you
C                     Em
I can't live a lie, running for my life
G                 C   (Pause)
I will always want you

            G                     D
I came in like a wrecking ball
                  Em              C
I never hit so hard in love
                  G           D
All I wanted was to break your walls
                  Em              C
All you ever did was wreck me
          Em          C
Yeah, you     wreck me
```

```
                       G                     D
I came in like a wrecking ball
                 Em              C
I never hit so hard in love
                       G           D
All I wanted was to break your walls
                     Em          C
All you ever did was wreck me
           Em            C
Yeah, you      wreck me

[Bridge]
C                                        Em
      I never meant to start a war
                              G
I just wanted you to let me in
                          Bm
And instead of using force
                              C
I guess I should've let you in
                            Em
I never meant to start a war
                          G
I just wanted you to let me in
                            Bm
I guess I should've let you in
C                 Em
Don't you ever say I just walked away
G                 C        (Pause)
I will always want you

                       G                     D
I came in like a wrecking ball
                 Em              C
I never hit so hard in love
                       G           D
All I wanted was to break your walls
                     Em          C
All you ever did was wreck me
           Em            C
Yeah, you     wreck me
                       G                     D
I came in like a wrecking ball
                 Em              C
I never hit so hard in love
                       G           D
All I wanted was to break your walls
                     Em          C
All you ever did was wreck me
           Em            C
Yeah, you      wreck me
```
